

## **Letter from the Board President**

The 2024 Silver Lake Country Club (SLCC) season is fast approaching or here for some of us!

The current board has been meeting monthly over the winter to get SLCC past and future needs arranged. We continue to push for fundraising for our new clubhouse, maintenance building and the new cart shed. As you may have seen/heard the removal of the old cart shed and a few large ash trees has been completed. The tree by the putting green was diseased and rotting. It too, had to be removed. The parking lot tree was removed with the old shed that was falling in. This will make room for the new clubhouse location. The New Cart Shed, C, is now finished. Electrical and lighting improvements will be made to shed A & B. We, as a club, must strive for success instead of just breaking even. If you are not a current Shareholder, please consider purchasing a share to support the Club. Also volunteer for a committee that works toward SLCC's strategic plans.

### **2024 SLCC MEMBERSHIP FEES:**

All Paid Memberships include use of the range and a GHIN # if requested.

- SLCC Shareholder Certificate - \$200
- 2024 Shareholder Membership - \$150
- 2024 Public Membership - \$200
- College/HS Student w/student ID - \$150
- Harris Lake Park Golf Teams - Free golf/range
- 2024 Cart Storage in Sheds A&B
  - Gas Cart - \$225
  - Electric Cart (Currently Full) - \$250
- New Cart Shed C storage (12 spots available) - \$350 year or \$1500 x5 years
- 2024 Personal Cart Trail Fee - \$125

Taxes not included. 7% Sales tax will be added upon purchase.

Note that some of our fees have gone up with the costs that the club incurs. Another straightforward way for our club to keep fees down is for the members to respond to the committee's requests for help or support. We will be seeking

help with events, course cleanup, plant bed maintenance and donations.

SLCC will again be a member of the Iowa Reciprocal golf program. We can golf at over 40 other golf courses paying only for cart rental. All SLCC members can request a free ID card for this benefit. See the flyer at the club for more info.

We are gathering member personal info to assist in better communication and per our bylaws to display our membership list. Please fill out information for each family member when filling out the Membership Cards. We should be operational by the weekend with daily hours posted on Facebook. Come meet everyone April 6th from 11am – 5pm for a membership signup and shareholder vote on the sale of the excess lot east of #2 green.

Fore Family and Friends...Join SLCC!

Your Board President, Jeff Nechkash
